

**SAPIENZA**  
UNIVERSITÀ DI ROMA

9 - 11 July 2018 Rome, Italy

## Venue

Sapienza Università di Roma  
Faculty of Civil and Industrial Engineering

## Symposium Chair

Prof. Claudio Scarponi,  
Sapienza Università di Roma  
Dept. of Mechanical & Aerospace Engineering

## Symposium Topics

- Sustainable aviation and aerospace vehicles
- Environmental Modelling & Software
- Air conditioning and refrigeration applications of aircrafts
- Energy, exergy, performance analysis, flight mechanics and computational fluid dynamics
- Avionics and auto control
- Design, management, planning, development
- Aircraft maintenance, repair and overhaul; airworthiness, reliability/safety

## Important Dates

April 1, 2018: Abstract due  
April 15, 2018: Notification of abstract acceptance  
May 30, 2018: Full manuscript due  
June 15, 2018: Notification of manuscript acceptance
