

DEPARTMENT OF CIVIL, BUILDING AND ENVIRONMENTAL ENGINEERING

SAPIENZA UNIVERSITY OF ROME

PUBLIC NOTICE FOR THE AWARDING OF N. 5 SCHOLARSHIPS FOR STUDENTS OF THE MASTER DEGREE IN TRANSPORT SYSTEMS ENGINEERING ENROLLED AT SAPIENZA UNIVERSITY OF ROME FOR THE ACADEMIC YEAR 2015-2016

PUBLIC NOTICE N. 1/2016 SCHOLARSHIPS FOR STUDENTS OF THE MASTER DEGREE IN TRANSPORT SYSTEMS ENGINEERING OF 30/03/2016 prot. 532/2016

Deadline: 30/04/2016

The Director

Having regards to the funds allocated by FFO 2014, DM 815/2014 art. 11;

Having regards to the funds allocated by the MIUR three-year Plan for the Italian university system, specifically to attract students with foreign degrees;

Having regards to the target of faculties and departments to promote the enrolment of foreign students, according to the performance plan for 2015 and 2016;

Having regards to the letter by the director of the International Area allocating € 25,000.00 to the Department of Civil, Building and Environmental Engineering for granting scholarships to students with a foreign degree who enrolled to Masters Programme in English;

Taking into account that the Master Degree is entirely taught in English

Provides

ART. 1

A selection procedure is issued for the granting of n. 5 scholarships of € 5.000,00 gross each, to students registered to the Master Degree in Transport Systems Engineering for the first time in academic year 2015-2016 at Sapienza University of Rome.

ART. 2

In order to participate, the candidate must meet the following requirements:

1. A Bachelor Degree or equivalent achieved in a foreign university;
2. EU citizenship (Italian citizens are excluded) or non-EU citizenship with a study visa;
3. Payment of the first instalment of the registration fees for the Master Degree in Transport Systems Engineering for 2015-16;
4. To have not been granted other scholarships by Sapienza, Laziodisu, Ministry of Foreign Affairs and International Cooperation or other national or international institutions. The scholarship is compatible with other forms of support (exemption from registration fees, accommodation, etc.).

All the above requirements must be fulfilled by the closing date for applications of the present call.

ART. 3

Applications for the call must be filled out as by the attached form.

Applications must be sent to the certified e-mail address **dicea@cert.uniroma1.it**, under penalty of exclusion, absolutely by 30/04/2016.

In the application, the candidate must state, under penalty of exclusion, according to DPR n. 445/2000 and amendments, under his/her responsibility:

- Surname and name;
- University registration number;
- Date and place of birth, home address in Italy elected for the selection (specifying the post code and phone number) and e-mail address where to receive the official communications;
- Bachelor degree, graduation date, vote and related minimum and maximum grades in the University where it was awarded
- Passed examinations and acquired votes in the Master Degree in Transport Systems Engineering
- Promptly communicate any change of residence and/or e-mail address stated in the application form (to be updated in the Infostud portal too).

Administration does not take any responsibility for loss of communications due to candidate's incorrect address and/or e-mail address or late communication of any changes, nor for any communication malfunctions not depending upon the administration responsibility.

All candidates are admitted conditionally, until the fulfilment of the prescribed requirements has been verified, and can be excluded, at any time, for justified reasons.

The Administration will check the authenticity of declarations. If any statement is found untrue, the student will lose all benefits resulting from the false declaration and must return any sums received,

ART. 4

The Selection Board will be appointed by the **Director of Department**.

The Selection Board will draw up a list of candidates according to the following criteria:

1. Bachelor's graduation vote;
2. Votes and acquired ECTS in Master Degree in Transport Systems Engineering;
3. Age.

The Board's decisions are unquestionable.

In case of withdrawal or forfeiture of a winner, the next in position in ranking takes over.

The selection will be completed within 60 (sixty) days from the call's deadline and the rankings will be published on the website of the Department of Civil, Building and Environmental Engineering.

ART. 5

The scholarship will be paid in a single instalment by Bank transfer.

ART. 6

With reference to provisions of D-Lgs. 196/2003 on the Protection of personal data, concerning protection of persons and other subjects in regards of personal data processing and, in particular, the provisions of art. 13, personal data provided by candidates will be collected by Sapienza for management purposes and will be processed automatically. Treatment of this data will continue after registration for management purposes related to the university career. Providing such data is necessary for evaluation of participation requirements, under penalty of exclusion. The information provided may be disclosed only to public administrations directly involved in student's university career or in the execution of the competition.

Any refusal to provide this data involves exclusion. Interested parties have the right to have confirmation of the existence or not of any personal data concerning them, even if they are not yet registered, and their communication in an intelligible form. They have the right to be informed of the origin of personal data, of purposes and methods of treatment, of the logic applied in case of treatment with electronic devices. Interested parties are also entitled to data updating, rectification, that is, when they have interest, data integration, erasure, anonymization and blocking of data when processed in violation of law.

Owner of data processing is Sapienza University of Rome in the person of its temporary legal representative, the Rector, resident for the office at the University headquarters.

Responsible of data processing is the Director of Department of Civile, Building and Environmental Engineering.

ART. 7

In accordance to art. 4, 5 and 6 of law n. 241/1990, responsible of administrative procedures is the Director of Department of Civil, Building and Environmental Engineering.

ART. 8

In case of a dispute concerning the interpretation or execution of this call, the parties, in first instance, will try to come to an extrajudicial solution. Otherwise, the competent court is Rome.

Rome, 30/03/2016

The Director

Prof. Antonio D'Andrea
