

## ERC Advanced Grant (ERC-AdG) Call 2015

On the 10<sup>th</sup> of February 2015, a call to submit proposals under the “ERC Advanced Grant 2015” was opened.

### ***About the ERC Advanced Grants***

ERC Programme aims at providing attractive, long-term funding to support excellent investigators and their research teams to pursue ground-breaking, high-gain/ high-risk research, leading to advances at the frontiers of knowledge. In specific, ERC Advanced Grants are designed to support **excellent Principal Investigators (PIs)** at the career stage at which they are already established research leaders. PIs must demonstrate the **ground-breaking nature, ambition and feasibility of their scientific proposal**.

Applications may be made in any field of research. Special emphasis is given to frontier research: proposals of an interdisciplinary nature, pioneering proposals addressing new and emerging fields of research or proposals introducing unconventional, innovative approaches and scientific inventions are encouraged.

### ***Who can participate?***

Active researchers, of any age and any nationality, with a track record of significant research achievements **in the last 10 years**.

### ***What is the value of the grant?***

Advanced Grants can be awarded up to a maximum of **EUR 2.500.000,00** for a period of 5 years (pro rata for projects of shorter duration).

However, up to an additional EUR 1.000.000,00 can be requested in the proposal to cover: eligible “start-up” costs and/or the purchase of major equipment and/or access to large facilities.

### ***Deadline:***

**June 2<sup>nd</sup> 2015 at 5pm (Brussels local time)**
